> Re: <u>Shamrock Cartage, Inc.</u> Case 09-CA-219396

Dear Ms. Rose:

This acknowledges the Respondent's Motion to Dismiss/Summary Judgment filed in the subject case on October 10, 2018.

Section 102.24(b) of the Board's Rules and Regulations requires that all motions for summary judgment must be filed with the Board in Washington, D.C. no later than 28 days prior to the hearing date. The hearing in this matter is scheduled for November 5, 2018. Thus, the last date for the timely filing with the Board of a motion for summary judgment in this matter was October 9, 2018. The 28-day limit was established as the minimum time in which the Board can give such motions proper and thorough consideration. See Section 102.24(b) of the Board's Rules and Regulations.

Accordingly, as the Respondent's Motion to Dismiss/Summary Judgment was not timely filed with the Board, I cannot forward it to the Board for consideration. None of the foregoing, however, precludes you from raising your motion with the administrative law judge at the hearing.

Very truly yours,

/s/ Farah Z. Qureshi Associate Executive Secretary
